– 8th GRADE–

Apreciados estudiantes

El material que encuentran a continuación no dista mucho de aquel que hemos estudiado en clase, de hecho, algunos ejercicios serán desarrollados durante las siguientes semanas. Evaluar el tema de las preguntas y respuestas con y sin *WH words* (*qué, cómo, cuál, etc*) usando diferentes tiempos verbales, les permitirá a Ustedes demostrar que han superado muchas falencias y que están preparados para cursar el siguiente grado.

Los invito a revisar los temas juiciosamente, a desarrollar los ejercicios propuestos a conciencia y a incrementar el vocabulario que les permita presentar y aprobar el examen final.

Estarán habilitados para presentar el examen aquellos que asistan a las clases en la semana de refuerzo determinada por la I.E y presenten el taller completamente desarrollado y traducido al español, firmado por sus padres de familia. El examen será una prueba escrita con parte de las preguntas tipo opción múltiple con respuesta única y parte producción escrita. El examen corresponderá al 100% de la nota.
